2017/1938/P	Bella Ikpasaja	32 Matilda Apartments 4 Earnshaw Street London WC2H 8AJ	22/05/2017 16:09:02	OBJ	My single objection to this application for LED screen is the use of speakers, which I had a look at in the supporting documents. Greatly concerned about the increase in noise for residents, in an area that is already very noisy (traffic, sirens, years-long building construction of crossrail and centre point opposite our Matilda Apartments building on Earnshaw Street). Please review this aspect, and give us residents assurance that proposed speakers will not be a noise nuisance, i.e not as audible as passing car horns, when windows are open. Thank you.
