2017/2719/P	Gareth Ward	Flat 3 Smyrna Mansions Smyrna Road London NW64LU	20/05/2017 18:39:58	OBJEMAIL	<p>I am the owner occupier of Flat 3 Smyrna Mansions which would be directly overlooked by this proposed roof terrace. My bedroom, bathroom and kitchen windows are all within 5 metres of the proposed terrace, at the same level.</p> <p>When the 12 Smyrna block was developed, a condition of planning permission then was that all windows overlooking this area would be opaque in perpetuity, so as not to impact the privacy of Smyrna Mansions. At the moment, all windows in the 12 Smyrna Road block which overlook this area are opaque, so that privacy is maintained for both blocks of flats. There are no balconies in 12 Smyrna which overlook this area. The only balconies in 12 Smyrna are on the front of the building, overlooking the street.</p> <p>So I am opposed to this proposed roof terrace, which would fundamentally undermine the conditions of the previous planning permission and would make my bedroom and kitchen visible at close range by strangers.</p> <p>Please notify me of the committee date. I would like to speak if possible, as this is an issue which has major impact on me and my family.</p>
