Application for listed building consent for alterations, extension or demolition of a listed building.
Planning (Listed Buildings and Conservation Areas) Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website.
If you require any further clarification, please contact the Authority's planning department.

1. Applicant Name, Address and Contact Details

Title:	<input type="text" value="Ms"/>	First Name:	<input type="text" value="Miriam"/>	Surname:	<input type="text" value="Hill"/>
Company name:	<input type="text"/>				
Street address:	<input type="text" value="69 Jamestown Road"/>				
	<input type="text"/>	Telephone number:	<input type="text" value="07876562071"/>		
	<input type="text"/>	Mobile number:	<input type="text"/>		
Town/City:	<input type="text" value="London"/>	Fax number:	<input type="text"/>		
Country:	<input type="text" value="London"/>	Email address:	<input type="text"/>		
Postcode:	<input type="text" value="NW1 7DB"/>		<input type="text" value="Mh377@columbia.edu"/>		
Are you an agent acting on behalf of the applicant?		<input type="radio"/> Yes <input checked="" type="radio"/> No			

2. Agent Name, Address and Contact Details

No Agent details were submitted for this application

3. Description of the Proposal

Please describe the proposed works:

Remedial works to establish a chemical damp proofing course to the walls of the lower ground floor as per the surveyor's illustration (attached). There is extensive damp in this area which is also likely to rot the staircase if it is not stopped. At this stage, works to the staircase are not required. To install the Damp Proof Course, the contractor will remove plaster and rake out mortar joints to the brickwork of the walls. A sand and cement scratch coat incorporating a Sika tanking compound will then be applied and allowed to dry prior to the application of new plaster.

Has the work already started? Yes No

4. Site Address Details

Full postal address of the site (including full postcode where available)

Description:

House: Suffix:

House name:

Street address:

Town/City:

Postcode:

Description of location or a grid reference
(must be completed if postcode is not known):

Easting:

Northing:

5. Related Proposals

Are there any current applications, previous proposals or demolitions for the site?

Yes No

6. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes No

7. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?

Yes No

8. Authority Employee/Member

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

Yes No

9. Materials

Please provide a description of existing and proposed materials and finishes to be used in the build (demolition excluded):

Internal Walls - description:

Description of *existing* materials and finishes:

The interior walls are brick which has been plastered. The existing plaster dates from the 1970s.

Description of *proposed* materials and finishes:

The damp proofing technicians will remove the existing plaster exposing the brickwork. Twelve mm diameter holes will be drilled horizontally into the mortar bed, approximately 100-120mm apart. Silicate Tri-gel resin will then be injected into those 12mm diameter holes. After drying, the contractor will then re-plaster the wall, first applying a coat of 3-1 sand and cement incorporating a Sika tanking compound. Two further coats of Sika tanking render will be applied and allowed to dry. A finish coat will be then be applied using a non sulphate type plaster such as Multi-Finish. The contractor guarantees all works will be in accordance with the Code of Practice for Installation of Chemical Damp Proof Course BS6576 (1985).

9. Materials

Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?

Yes No

10. Demolition

Does the proposal include total or partial demolition of a listed building?

Yes No

11. Listed building alterations

Do the proposed works include alterations to a listed building?

Yes No

12. Listed Building Grading

If known, what is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

Don't know Grade I Grade II* Grade II

Is it an ecclesiastical building?

Don't know Yes No

13. Immunity from Listing

Has a Certificate of Immunity from listing been sought in respect of this building?

Yes No

14. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

The agent The applicant Other person

15. Certificates (Certificate A)

Certificate of Ownership - Certificate A

Certificate under Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner (*owner is a person with a freehold interest or leasehold interest with at least 7 years left to run*) of any part of the land or building to which the application relates.

Title: First name: Surname:

Person role: Declaration date: Declaration made

16. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
