THIS AGREEMENT is made the 30 day of May 2014

**BETWEEN:**

1. **GERALD JULIAN LIPTON** of 77 Avenue Road, London, NW8 6QR (hereinafter called "the Owner") of the first part
2. **THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF CAMDEN** of Town Hall, Judd Street, London WC1H 9LP (hereinafter called "the Council") of the second part

**WHEREAS**

- 1.1 The Owner is registered at the Land Registry as the freehold proprietor with title absolute of the Property under title number NGL760698 and the leasehold proprietor with title absolute of the Property under title number LN4587.
- 1.2 The Owner is the freehold owner and leasehold owner of and is interested in the Property for the purposes of Section 106 of the Act.
- 1.3 The Planning Application for the development of the Property was submitted to the Council and validated on 30<sup>th</sup> August 2013 and the Council resolved to grant permission conditionally under reference number 2013/2043/P subject to conclusion of this legal Agreement.
- 1.4 The Council is the local planning authority for the purposes of the Act for the area in which the Property is situated and considers it expedient in the interests of the proper planning of its area that the development of the Property should be restricted or regulated in accordance with this Agreement.
- 1.5 As local highway authority the Council considers the Highways Works to be carried out pursuant to this section 278 Agreement to be in the public benefit.
- 1.6 For that purpose the Owner is willing to enter into this Agreement pursuant to the provisions of Section 106 of the Act.

## 2. DEFINITIONS

| 2.2 | "the Agreement"                           | this planning obligation made pursuant to Section 106 of the Act  |
| 2.3 | "the Certificate of Practical Completion" | the certificate issued by the Owner's contractor or architect or project manager certifying that the Development has been completed   |
| 2.4 | "Construction Management Plan"            | <p>a plan setting out the measures that the Owner will adopt in undertaking the demolition of the Existing Buildings and the construction of the Development using good site practices in accordance with the Council's Considerate Contractor Manual to ensure the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network including (but not limited to):-</p> <p>(i) a statement to be submitted to Council giving details of the environmental protection highways safety and community liaison measures proposed to be adopted by the Owner in order to mitigate and offset potential or likely</p> |

effects and impacts arising from the demolition of the Existing Buildings or structures on the Property and the building out of the Development;

- (ii) incorporation of the provisions set out in the First Schedule annexed hereto
- (iii) incorporation of the provisions set out in the Second Schedule annexed hereto
- (iv) effects on the health and amenity of local residences site construction workers local businesses and adjoining developments undergoing construction;
- (v) amelioration and monitoring measures over construction traffic including procedures for notifying the owners and or occupiers of the residences and businesses in the locality in advance of major operations delivery schedules and amendments to normal traffic arrangements (if any);
- (vi) the inclusion of a waste management strategy for handling and disposing of construction waste; and
- (vii) identifying means of ensuring the provision of information to the Council and provision of a mechanism for monitoring and reviewing as required from time to time

## 2.5 "the Construction Phase"

the whole period between

- (i) the Implementation Date and
- (ii) the date of issue of the Certificate of Practical Completion

and for the avoidance of doubt includes the demolition of the Existing Buildings

2.6 "the Council's Considerate Contractor Manual"

the document produced by the Council from time to time entitled "Guide for Contractors Working in Camden" relating to the good practice for developers engaged in building activities in the London Borough of Camden

2.7 "the Development"

renewal of planning permission reference 2010/0351/P dated 6<sup>th</sup> May 2010 (erection of a new three-storey single family dwellinghouse (Class C3), following demolition of existing three-storey single family dwellinghouse) as shown on drawing numbers Site Location Plan; SK01 P1; Tree Survey; 787-PL02A; PL03; PL04; PL05; PL06; PL09; PL10; PL25; PL15A; PL24; PL14A; PL22; PL12 A; PL23; PL13A; PL11; PL16; PL17; PL18; PL19; PL20; PL21; Arboricultural Method Statement; Basement Retaining Wall - Structural Options Report; Energy Statement & Sustainability Appraisal report; Noise Impact Assessment.

2.8 "the Existing Buildings"

the three-storey single family dwellinghouse existing at the Property

2.9 "the Implementation Date"

the date of implementation of the Development by the carrying out of a material operation as defined in Section 56 of the Act and references to "Implementation" and "Implement" shall be construed accordingly

2.10 "the Highways Contribution"

the sum of £11,370 (eleven thousand three hundred and seventy pounds) to be paid by the Owner to the Council in accordance with the terms of this Agreement and to be applied by the Council in event of receipt for the carrying out works to the public highway and associated measures in the vicinity of the Property such works to include the following ("the Highways Works"):

- (i) to repave the footway adjacent to the Property;
- (ii) to repave two vehicular crossovers adjacent to the Property; and
- (iii) any other works required as a direct result of the Development (such works as considered necessary by the Council)

all works will be subject to final measure and any level adjustment required and for the avoidance of doubt the Council in accepting this sum does not undertake any responsibility in connection with any required statutory undertakers works and excludes any statutory undertaker's costs

2.11 "the Level Plans

plans demonstrating the levels at the interface of the Development the boundary of the Property and the Public Highway

2.12 "Occupation Date"

the first date when any part of the Development is occupied and the phrases "Occupy", "Occupied" and "Occupation" shall be construed accordingly

2.13 "the Parties"

the Council and the Owner

- 2.14 "the Planning Application" a planning application in respect of the development of the Property submitted to the Council and validated on 30<sup>th</sup> August 2013 for which a resolution to grant permission has been passed conditionally under reference number 2013/2043/P subject to conclusion of this Agreement
- 2.15 "Planning Obligations Monitoring Officer" a planning officer of the Council from time to time allocated to deal with all planning obligations pursuant to S106 of the Act to whom all notices, correspondence, approvals etc must be sent in the manner prescribed at clause 6.1 hereof
- 2.16 "the Planning Permission" a planning permission granted for the Development substantially in the draft form annexed hereto at the Third Schedule
- 2.17 "the Property" the land known as 77 Avenue Road, London, NW8 6JD the same as shown shaded grey on the plan annexed hereto at the Fourth Schedule
- 2.18 "the Public Highway" any carriageway footway and/or verge adjoining the Property maintainable at public expense
- 2.19 "the Sustainability Plan" a plan securing the incorporation of sustainability measures in the carrying out of the Development in its fabric and in its subsequent management and occupation based which shall include:-
- (i) an assessment under the Code for Sustainable Homes achieving at least Level 3

and attaining at least 50% of the credits in each of the Energy Water and Materials categories;

(ii) include a pre-Implementation review by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Sustainability Plan are achievable in the Development and satisfy the aims and objectives of the Council's strategic policies on sustainability contained within its Development Plan; and

(iii) measures to secure a post construction review of the Development by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Sustainability Plan have been achieved in the Development and will be maintainable in the Development's future management and occupation

**NOW THIS DEED WITNESSETH** as follows:-

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.

- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.
- 3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.
- 3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6 and 7 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.
- 3.6 The Council hereby agrees to grant the Planning Permission on the date hereof.
- 3.7 The Parties save where the context states otherwise shall include their successors in title.

4. **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 **CONSTRUCTION MANAGEMENT PLAN**

- 4.1.1 On or prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.
- 4.1.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan as demonstrated by written notice to that effect.
- 4.1.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

- 4.1.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the requirements of the Construction Management Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.

## **4.2 HIGHWAYS**

- 4.2.1 On or prior to the Implementation Date to:-
- (i) pay to the Council the Highways Contribution in full; and
  - (ii) submit to the Council the Level Plans for approval.
- 4.2.2 Not to Implement or to allow Implementation until such time as the Council has:-
- (i) received the Highways Contribution in full; and
  - (ii) approved the Level Plans as demonstrated by written notice to that effect.
- 4.2.3 For the avoidance of doubt the Owner acknowledges that the Council has the right reserved to it to construct the Public Highway to levels it considers appropriate and does not undertake any responsibility in connection with any required statutory undertakers works and that the Highways Contribution excludes any statutory undertaker's costs.
- 4.2.4 On completion of the Highway Works the Council may provide to the Owner a certificate specifying the sum ("the Certified Sum") expended by the Council in carrying out the Highway Works.
- 4.2.5 If the Certified Sum exceeds the Highway Contribution then the Owner shall within fourteen days of the issuing of the said certificate pay to the Council the amount of the excess.

## **4.3 SUSTAINABILITY PLAN**

- 4.3.1 On or prior to the Implementation Date to submit to the Council for approval the Sustainability Plan.
- 4.3.2 Not to Implement nor permit Implementation until the Sustainability Plan has been approved by the Council as demonstrated by written notice to that effect
- 4.3.3 Not to Occupy or permit Occupation of the Property until a satisfactory post-completion review has been submitted to and approved by the Council in writing confirming that the measures incorporated in the Sustainability Plan as approved by the Council have been incorporated into the Property.
- 4.3.4 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Sustainability Plan as approved by the Council and shall not Occupy or permit Occupation of the Development otherwise than in strict accordance with the requirements of the Sustainability Plan.

5. **NOTICE TO THE COUNCIL/OTHER MATTERS**

- 5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Development has taken or is about to take place.
- 5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause 6.1 hereof quoting planning reference 2013/2043/P the date upon which the Development is ready for Occupation.
- 5.3 The Owner shall act in good faith and shall co-operate with the Council to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.

- 5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.
- 5.5 If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment of a fee of £1,000 in respect of each such obligation) provide through its Head of Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.
- 5.6 Submission of any plan to the Council under Clause 4 of this Agreement for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting the planning reference 2013/2043/P.
- 5.7 Payment of the financial contribution pursuant to Clause 4 of this Agreement shall be made by the Owner to the Council sending the full amount in the form of a Banker's Draft to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such Contribution relates quoting the Income Code ZN760 ZL065 or by Electronic Transfer directly to the Co-Operative Bank plc of 1 Islington High Street London N1 9TR quoting Sort Code 08-90-33 and London Borough of Camden General Account No. 61030019 and to inform the Planning Obligations Monitoring Officer of such payment quoting the above details as if the payment had been made by Banker's Draft.
- 5.8 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council under this Agreement

upon presentation of an appropriate value added tax invoice addressed to the Owner.

- 5.9 Any sums referred to in this Agreement as payable or to be applied by any party other than the Council under this Agreement shall be paid or applied TOGETHER WITH if such payment or application is made more than three months from the date of this Agreement a further sum ("A") being equal to the original sum payable ("B") multiplied by a figure being a fraction of which the All Items of Retail Prices ("the AIIRP") figure last published by the Central Statistical Office at the date hereof is the denominator ("X") and the last AIIRP figure published before the date such payment or application is made ("Y") less the last published AIIRP figure at the date hereof ("X") is the numerator so that

$$A = B \times \frac{(Y-X)}{X}$$

- 5.10 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.

6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-

- 6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the planning reference number 2013/2043/P and in the case of any notice or approval or agreement from the Council this shall be signed by a representative of the Council's Environment Department.

- 6.2 This Agreement shall be registered as a Local Land Charge.

- 6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.
- 6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.
- 6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.
- 6.6 Neither the Owner nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.
- 6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development or is modified (other than by agreement with or at the request of the Owner) this Agreement shall forthwith determine and cease to have effect and the Council will effect cancellation of all entries made in the Register of Local Land Charges in respect of this Agreement.

7. **RIGHTS OF THIRD PARTIES**

**THE FIRST SCHEDULE**  
**Construction Management Plan**  
**Air Quality and Carbon Reduction**

Requirements to control and minimise NO<sub>x</sub>, PM<sub>10</sub>, CO<sub>2</sub> emissions from construction sites and avoid nuisance and dust complaints.

A method statement shall be prepared and adopted as part of the Construction Management Plan to minimise gaseous and particulate matter emissions generated during the Construction Phase. The method statement shall identify the specific measures which will be implemented to control air pollution emissions during each of the following stages of the Construction Phase: (a) demolition; (b) ground breaking; and (c) construction/build.

The Construction Phase shall be carried out in accordance with the Best Practise Guidance Note "Control of dust and emissions from construction and demolition" published by London Councils, 2006. The risk rating of the site shall be defined in the method statement and determined using the risk assessment methodology in the Best Practise Guidance. Techniques to control dust from construction activities and emissions from vehicles and plant, and undertake air quality monitoring, shall conform to the 'medium' or 'high' risk categories outlined in the Best Practice Guidance.

The following best practise measures shall be included as a minimum in the method statement:-

A - Techniques to control PM<sub>10</sub> and NO<sub>x</sub> emissions from vehicles and plant

- a) Low emission plant fitted with catalysts, diesel particulate filters or similar devices shall be used;
- b) Plant shall be well maintained, with routine servicing of plant and non-road mobile machinery (NRMM) to be completed in accordance with the manufacturers recommendations;
- c) Avoid the use of diesel or petrol powered generators and use mains electricity or battery powered equipment;
- d) Non-road mobile machinery (NRMM) shall use ultra low sulphur tax-exempt diesel and be fitted with appropriate exhaust after-treatment such as catalysts, diesel particulate filters as stated on the approved list managed by the Energy Saving Trust. Details of the plant and control equipment shall be included in the method statement.

- e) All construction vehicles shall comply with the Euro 4 emissions standard and where possible use low emission fuels and alternative technology.
- f) Plant and vehicles shall be located way from the closest receptors or house in closed environments where possible.

#### B - Techniques to control dust emissions from construction and demolition

- a) Keep site fencing, barriers and scaffolding clean using wet methods;
- b) Buildings to be demolished shall be wrapped
- c) Provide easily cleaned hard standing for vehicles and clean using wet sweeping methods;
- d) Provide the use of wheel-wash facilities near the site exit. Fit wheel-washes with rumble grids to dislodge accumulated dust and mud prior to leaving the site to avoid carrying dust or mud off the site;
- e) Inspect internal haul routes for integrity and instigate necessary repairs to the surface as soon as reasonably practicable;
- f) Routinely clean the Public Highways and accesses using wet sweeping methods especially during dry periods;
- g) Impose and signpost maximum speed limits of 10 mph on surfaced haul routes and work areas within the Site;
- h) Ensure all vehicles carrying loose or potentially dusty material to or from the site are fully sheeted;
- i) Store materials with the potential to produce dust away from site boundaries;
- j) Sheet, seal or damp down stockpiles of excavated material held on site;
- k) Any loose materials brought onto the site shall be protected by appropriate covering
- l) The site shall be dampened down during the working day and again at the end of the day to reduce the amount that is re-suspended dust.
- m) Ensure water suppression is used during demolition operations;
- n) Ensure mobile crushing and screening plant and cement batching plant which are regulated under the Local Air Pollution Prevention and Control regime operate in compliance with a Part B Permit. This shall be submitted to the local authority prior to operation.
- o) Site personnel shall be trained in dust mitigation and a manager shall be present for managing dust on site.

#### C - Air Quality Monitoring

- a) Throughout the Construction Phase continuous particulate matter (PM10) monitoring shall be undertaken. Two instruments will be deployed at the site boundary in a transect orientated to the prevailing wind direction, with a third monitor located at the nearest sensitive receptor. One monitor shall be co-located with an anemometer.
- b) Adequate quality assurance/quality control procedures shall be in place including monitor maintenance and calibration as well as data checking. PM10 data shall be collected automatically on an hour basis.
- c) A trigger action level for PM10 concentrations of  $200\mu\text{g.m}^{-3}$  (15 minute average) shall be used to identify incidences of elevated dust emissions at the site boundary. The development site shall comply with the trigger action throughout the demolition and construction phases.
- d) An on-site alert system (email or SMS) shall be in place to notify appropriate staff that the trigger action level has been reached. Immediate and appropriate measures can be put in place to rectify abnormal particulate emissions. A procedure shall be established to deal with abnormal dust emissions. All incidences of abnormal particulate emissions leading to breaches of the trigger action level, shall be documented in the site log book (date and time), with details of the action take to remediate dust emissions.
- e) An e-mail specifying details of any alert to be sent out to the Council's air quality officer as soon as practicable following any breach of the site trigger action level.
- f) An electronic report shall be submitted to the Council's air quality officer every three months summarising the following information from each monitoring site – 24 hour average PM10 concentration, date and time of any breach of the trigger action level with the 15 minute mean concentration, prevailing wind direction and details of the cause of elevated dust emissions and mitigation measures.
- g) The Council shall be notified of any changes to the location and operation of dust PM10 monitoring instrumentation.
- h) A 24-hour phone hotline shall be set up so that residents can complain about high dust or PM10 levels directly to the developer.

The following items shall be included in the method statement:

- a) A specific timetable identifying the start and finish dates of each phase, including dust generating activities and PM10 monitoring.
- b) An inventory of stationary and fugitive dust, PM10 and NOx emission sources with an explanation of how these will be mitigated in accordance with the London Council's Best Practise Guidance.
- c) A map identifying the location of dust generating activities, plant equipment associated with emissions to air and PM10 monitors.
- d) An air quality monitoring protocol prepared in accordance with the requirements of section C.

#### D - Techniques to reduce CO<sub>2</sub> emissions from construction vehicles

A commitment from the Owner that contractors' vehicles involved in construction and demolition work will adopt 'green fleet management practices' that will result in a 10% reduction in tail-pipe CO<sub>2</sub> emissions over the duration of the construction phase. A green fleet management plan included in the method statement identifying measures to improve vehicle efficiency and reduce CO<sub>2</sub> emissions from construction vehicles. This could include the use of fuel monitoring equipment in vehicles, eco-driver training, accreditation with FORS (Freight Operator Recognition Scheme run by TfL) or SAFED (Safe and Fuel Efficient Driving run by the DfT) and use of low carbon vehicles such as hybrid electric, electric and bio-methane.

**THE SECOND SCHEDULE**  
**Construction Management Plan**  
**Highway Measures**

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

*(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)*

- a) A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- b) Proposed start and end dates for each phase of construction.
- c) The proposed working hours within which vehicles will arrive and depart.
- d) The access arrangements for vehicles.
- e) Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative effects of construction on the highway. A map of the TLRN can be downloaded from the following site:-  
[http://www.tfl.gov.uk/assets/downloads/TFL\\_Base\\_Map\\_Master.pdf](http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf)
- f) Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- g) Swept path drawings for any tight manoeuvres on vehicle routes to the site.
- h) Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.
- i) Parking and loading arrangement of vehicles and delivery of materials and plant to the site.

- j) Details of proposed parking bays suspensions and temporary traffic management orders.
- k) Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- l) Details of hoarding required or any other occupation of the public highway.
- m) Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any Banksman arrangements.
- n) Details of how traffic associated with the Development will be managed in order to reduce congestion.
- o) Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- p) Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- q) Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.
- r) Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- s) Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"
- t) Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.

DECISION

Dear Sir/Madam

Town and Country Planning Act 1990 (as amended)  
Town and Country Planning (Development Management Procedure) Order 2010  
Town and Country Planning (Applications) Regulations 1988

**Renewal of Full Planning Permission Granted Subject to a Section 106 Legal Agreement**

Address:  
**77 Avenue Road  
London  
NW8 6JD**

**DECISION**

**Proposal:**

Renewal of permission 2010/0351/P dated 06/05/2010 (Erection of a new three-storey single family dwellinghouse (Class C3), following demolition of existing three-storey single family dwellinghouse).

Drawing Nos: Site Location Plan; SK01 P1; Tree Survey; 787-PL02A; PL03; PL04; PL05; PL06; PL09; PL10; PL25; PL15A; PL24; PL14A; PL22; PL12 A; PL23; PL13A; PL11; PL16; PL17; PL18; PL19; PL20; PL21; Arboricultural Method Statement; Basement Retaining Wall - Structural Options Report; Energy Statement & Sustainability Appraisal report; Noise Impact Assessment.

The Council has considered your application and decided to grant permission subject to the following condition(s):

**Conditions and Reasons:**

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan; SK01 P1; Tree Survey; 787-PL02A; PL03; PL04; PL05; PL06; PL09; PL10; PL25; PL15A; PL24; PL14A; PL22; PL12 A; PL23; PL13A; PL11; PL16; PL17; PL18; PL19; PL20; PL21; Arboricultural Method Statement; Basement Retaining Wall - Structural Options Report; Energy Statement & Sustainability Appraisal report; Noise Impact Assessment.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 The development hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to supervise, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration in accordance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the local planning authority prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework (Basements and Lightwells) of the London Borough of Camden Local Development Framework Development Policies.

- 4 Prior to commencement of development details of a sustainable urban drainage system, designed to achieve greenfield runoff rates in the event of a 1:100 year event with 30% contingency for climate change, shall be submitted to and approved by the local planning authority. SUDS The approved system shall be implemented as part of the development and thereafter retained and maintained in accordance with the manufacturers' recommendations.

Reason: To reduce the rate of surface water run-off from the buildings and limit the impact on the storm-water drainage system in accordance with policies CS13 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

- 5 Notwithstanding the hereby approved plans, prior to the occupation of the development a plan showing details of cycle storage provided with level access within a secure and covered cycle storage area for at least two cycles shall be submitted to and approved by the local planning authority in writing. The approved facility shall thereafter be provided in its entirety prior to the first occupation of any of the new dwelling, and thereafter permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

- 6 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of any of the new residential units.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP15 of the London Borough of Camden Local Development Framework Development Policies.

- 7 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the Council in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction". All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy.

- 8 A sample panel of the facing render, timber and glass, demonstrating the proposed colour and texture shall be provided on site and approved by the Council before the relevant parts of the works are commenced. The development shall be carried out in accordance with the approval given. The sample panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 9 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and approved by the local planning authority in writing. [Such details shall include details of any proposed earthworks including grading, mounding and other changes in ground levels.] The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping

which contributes to the visual amenity and character of the area in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 if landscape details of the London Borough of Camden Local Development Framework Development Policies.

- 10 All hard and soft landscaping works shall be carried out in accordance with the approved landscape details by not later than the end of the planting season following completion of the development or any phase of the development and/or prior to the occupation for the permitted use of the development or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with one of similar or larger species, unless the local planning authority gives written consent to the variation.

Reason: To ensure that any trees or areas of planting are replaced within a reasonable period and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 11 Full details in respect of the green roof in the area indicated on the approved roof plan shall be submitted to and approved by the local planning authority before the relevant part of the development commences. Such details to include a planting scheme, sections showing build up and any localised mounding and a scheme of maintenance. The drawings shall also show how the approved details have been implemented and how the works shall be maintained and maintained thereafter.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies CS13, CS15 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning

Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

**DRAFT**

In dealing with the application, we have worked with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Your attention is drawn to the notes attached to this notice which tell you about your Rights of Appeal and other information.

Yours faithfully

Dear Sir/Madam

**DRAFT**  
**FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION**  
Town and Country Planning Act 1990 (as amended)

**DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT**

Address:  
**77 Avenue Road**  
**London**  
**NW8 6JD**

**DECISION**  
Proposal:

Variation of condition 2 (approved plans) of planning permission 2013/2043/P dated 30/05/2014 (for erection of a new three storey dwelling house (class C3), following demolition of existing three storey single family dwelling house) namely to install 5 windows on the front elevation and 4 windows on the rear elevation at first floor level.

Drawing Nos: Superseded Plans: PL05, PL12A and PL13A

Revised Plans: 787-PL05A, 787-PL12B and 787-PL13B

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 For the purposes of this decision, condition no.2 of planning permission 2013/2043/P shall be replaced with the following condition:

#### REPLACEMENT CONDITION 2

The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan; SK01 P1; Tree Survey; 787-PL02A; PL03; PL04; PL05A; PL06; PL09; PL10; PL25; PL15A; PL24; PL14A; PL22; PL12 B; PL23; PL13B; PL11; PL16; PL17; PL18; PL19; PL20; PL21; Arboricultural Method Statement; Basement Retaining Wall - Structural Options Report; Energy Statement & Sustainability Appraisal report; Noise Impact Assessment.

Reason: For the avoidance of doubt and in the interest of proper planning.

#### Informative(s):

- 1 The parent permission (2013/2043/P) was a renewal of a previous consent (2010/0351/P). Under the original consent of 2010/0351/P a minor material amendment (2011/3518/P) was approved which was secured alterations to the windows to the front and rear of the proposed dwelling. This application is seeking the approval of the same amendments as part of the 2013/2043/P. Given there has been no material change in policy to alter this position, no objection is raised on grounds of design or impact on neighbour amenity.

No objections have been received prior to making this decision. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed amendment is in general accordance with policies CS5 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 2 This approval under Section 73 of the 1990 Act effectively varying the relevant condition of the previous planning permission is subject otherwise to the same terms, drawings, conditions and obligations as attached to the previous planning permission. This includes condition 1 providing for a 3 year time period for implementation which for the avoidance of doubt commences with the date of the original decision (and not this variation).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
