2017/1804/P	Marco white	16 Hillfield road London Nw6 1pz	23/05/2017 10:38:16	OBJ	I am extremely unhappy about the proposed planning application for a extension at 25 hillfield road nw6 1qd since the building work commenced in November 2016 it has been redicilous Their has been a huge amount of turmoil the mess that has spilled out onto the public wall way Their has not been sufficient or basic health and safety carried out I have also noticed that on many a occasion the builders have been starting work as early as 7am and leaving well past 5pm it is very inconsiderate
