2017/2092/P	Tony Kyriakides	Marie Curie Hospice Hampstead 11 Lyndhurst Gardens NW3 5NS	23/05/2017 18:44:11	SUPPRT	This is an exciting and innovative project which I anticipate will enhance community engagement.
2017/2092/P	Mrs Rochelle Larson	18 Naseby Close South Hampstead NW6 4EY NW6 4EY	23/05/2017 20:57:51	SUPPRT	Hello, I have served in the homeless shelter at this community centre and witnessed the incredible community program called SPEAR that takes place there. Truly a group that wants to serve, help and support all segments of society but most importantly those in need. Every time I've been in the building they are welcoming, generous, outreaching. I strongly encourage this proposal to be approved, because their goal is to expand their community services, which right now are limited by the outdated and small space. I really love the look of the proposal and the size fits in well with the current buildings nearby. I live just down Fairfax Road nearby and therefore this impacts my very neighbourhood. I know that the result would bring much needed support for our diverse community.
2017/2092/P	Cathy Rudman	119 Percival rd Nottingham ng52ez	24/05/2017 08:37:17	INT	I support it as it will help the community with housing for the vulnerable and hope for those with long term issue - regardless of ethnicity or faith. It isn't just another Auditorium. Currently they have services for the unemployed, children and homeless and a bigger church will bring more revenue in tithes and volunteers.

2017/2092/P	Cathy Naigow	4 sandifer Drive London Nw2 1ta	23/05/2017 21:41:45	COMMNT	We need this planning permission in order to build our church which is currently supporting the community. But with the new building of we will have more rooms to support and accommodate people with different need - within the community such as; Address social needs of isolation, loneliness and wellbeing through affordable activity, hospitality and cafe space. Help young people reach their potential through education and employability training for 16-24 NEETS Provide a transitional home for people coming out of care towards independence And provide space and opportunities for the community to come together
