2017/2296/P	Sue and Barry Thomas	8 Fitzroy Park N6 6HP	24/05/2017 15:33:04	COMMNT	<p>As neighbours to the property and with a common boundary we are very disturbed by the size and particularly the proximity of it to our common boundary. It will inevitably generate much noise as it is a play facility for young children.</p> <p>We would like to continue enjoying the peace and tranquility of our own garden so something considerably smaller and nearer the applicants' own house would seem to be fairer and more appropriate.</p>
