Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat C

Proposal: Installation of 1 x rear rooflight.

Drawing Nos: Block Plan (Received 30/01/2017); Existing and Proposed Plans - 2017-05-25 Rev. 3; Proposed Rear Elevation - 2017-05-25; Design & Access Statement (Provided by Just Plans dated 25/05/2017).

The Council has considered your application and decided to grant permission subject to the following conditions:

Conditions and Reasons:

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies and policies D1 and D2 of the Camden Local Plan Submission Draft 2016.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: [Block Plan (Received 30/01/2017); Existing and Proposed Plans - 2017-05-25 Rev. 3; Proposed Rear Elevation - 2017-05-25; Design & Access Statement (Provided by Just Plans dated 25/05/2017)].

Reason: For the avoidance of doubt and in the interest of proper planning.

Informatives:

- 1 Reasons for granting permission:

The proposed rear rooflight would be conservation style and would not be visible from the public realm or street scene along Estelle Road due to its location to the rear of the property, which thereby limits the impact of the proposal on the character and appearance of the wider area. As such, it is considered that the proposal would not cause a detrimental impact upon the character and appearance of the host dwelling, and would respect and preserve the character and appearance of the Mansfield Conservation Area.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

No objections have been received prior to making this decision. The site's planning history was taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies, and policies A1, D1, D2 and G1 of the Camden Local Plan Submission Draft 2016. The proposed development also accords with the London Plan 2016; and the National Planning Policy Framework 2012.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between

dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

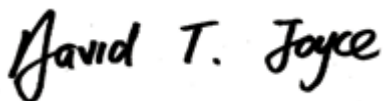

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 4 The Inspector's report on the Local Plan was published on 15 May 2017 and concludes that the plan is 'sound' subject to modifications being made to the Plan. While the determination of planning applications should continue to be made in accordance with the existing development plan until formal adoption, substantial weight may now be attached to the relevant policies of the emerging plan as a material consideration following publication of the Inspector's report, subject to any relevant recommended modifications in the Inspector's report.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
