Proposal	Construction of roof extension following demolition of the existing roof and rear mansard; internal and external alterations to a grade II listed building including install new entrance gates, railings on front steps (Class C3).
Objection	Yes
Comment	Yes
Observations	DPCAAC object. It appears from the photos and plans provided that the modern additional storey will be visible both from Highgate Road and Chetwynd Road. The proposed modern roof design is out of character with the listed building it is sited on. If approved it should not be visible from any public place. We stress the significance of this very-early 19th century listed building as rare integral survival of the large villas that marked this part of Highgate Road
