Application ref	2017/3009/P
Address	101 Camley Street London NW1 0PF
Planning Officer	Jonathan McClue

Proposal	Erection of a temporary two storey building (254sqm GIA) to be used as a marketing suite and show flat (sui generis) for a period of two years with associated landscaping, to be used solely in connection with the residential led development at 101 Camley Street under 2014/4385/P dated 18 March 2015
Objection	Yes
Observations	This proposal is harmful to the Conservation Area and does not preserve the character and appearance of this section of the Canal . It is an obtrusive backdrop to the boats and trees which give Canal a calming and rural feel in the area . The application for a consent for two years is a long time . The new building itself has ample space to house this activity
