3. Description of the Proposal

Please describe the proposed works:

The Works include the refurbishment of the Manager's Office entrance located on the ground floor and the construction of a new doorway to the existing outdoor common area in the basement.

1. Replace the existing door and partition in the Manager's Office with a new glass door and glass partition to maximise view into and out of the office in line with current H&S guidelines.

The existing door and partition aren't the original features, thereby resulting in no loss to significant historic fabric. The new design responds positively to the appearance and character of the building.

2. Create a new doorway at the back yard in the basement to improve access and circulation.
