2016/6314/P	Agnes Peyser	7 iverson road	25/05/2017 23:46:51	OBJ	The application does not reflect the reality of the situation. There was no basement in 260 Kilburn High Road. Excavations have been taking place recently without planning permission. The Kilburn High Road does not need more eateries with no waste disposal area. The road is already full of rubbish. Additionally the opening hours are not adequate for the area that already suffers from late night anti-social behaviour and noise. Works (excavation and concrete pumping) have already taken place without any consideration to pedestrians. I strongly object
