Hi Matthias,

Thanks for the message. I'm not sure how we misread the proposals. Perhaps we were distracted by our disappointment about the cornice and fascia. Regardless, of course we withdraw our objection.

Let me know if you need me to resubmit a comment. Thanks again for notifying me of the mistake.

Best wishes,
Meredith

Dear Meredith Whitten

I am writing in reference to your objection for the above Discharge of Condition application reference: 2017/2023/L.

This application is not a revision to any previously approved scheme, but for the approval of details, requested under condition 2 (a, b & c), to be submitted to the Council. Your objection is addressing concerns in terms of the proposed design of the shopfront, in particular the fascia area. The details relating to condition 2 are for the joinery and plasterworks, historic fabric repaired and retained required by listed building consent granted on 31/03/2017 (reference: 2016/6709/L).

Your comments on this latest application are not raising any kind of concerns relevant to the details provided to satisfy the Council's approval. As such, I would therefore request that you withdraw your objections on the basis that they are referring to a revision - to a previously approved scheme - that is not actually being proposed, and not to the details submitted to allow for the discharge of condition 2.

Please confirm at the earliest opportunity that you are agreeing to the withdrawal of your objections as attached.

Many thanks
