Subject: Re: Consultation for 36 Mill Lane (Ref:2017/2062/P)

Dear Oluwaseyi,
Thank you for this reminder.
The NDF does not in principle have objections to this development. We were pleased to note that the NDP was referenced in the application, in relation to roof lines. If the planned development does not exceed the heights of adjacent roof lines we will not object, and we understand that this is the case. However, the drawings do not show the actual roof lines of the adjacent buildings, so there is scope for misunderstanding. If you can clarify that the proposal does not exceed existing roof lines it could avoid future problems.
Apologies for the delay in replying but I am abroad at present (and cannot use the NDF gmail account), Regards Nick Jackson (Co -Chair) Fortune Green and West Hampstead Neighbourhood Development Forum
