Dear Obote Hope,

RE: Planning Application (2017/2555/P) at 123 Broadhurst Gardens

The application referenced above, has been made to vary the approved plans and elevations pursuant to Condition 3 of application ref: 2016/4041/P.

Works have now commenced on site for application ref: 2016/4041/P. During demolition works it was discovered that the existing party wall varied to that originally surveyed. As such, the application drawings have been revised to reflect the on-site condition. Please note that there has been no change to the final proposal as previously consented.

It is our aim to have the condition amended to include the revised drawings.

Yours sincerely,

Tori MacCabe
