

- NOTES:
1. All existing pipework where exposed and corroded to be wire brushed and painted oxide to suit prior to re-insulating and vapour sealing as required. To match existing.
 2. All existing ductwork where exposed and corroded to be wire brushed and painted oxide to suit prior to re-insulating and vapour sealing as required. To match existing.
 3. All new ductwork & pipework to be insulated vapour sealed to match existing.
 4. All ductwork & pipework (new and existing) to be finished with 'Venture Clad' to suit.
 5. All controls to reconnect to renewed existing system.

Copyright
This drawing is copyright and may not be altered, reproduced or used other than for the Contract Works for which it is issued without the written permission of Foreman Roberts.

Status of drawing
The purpose of this drawing when issued as a Tender Drawing is to enable tenderers to interpret correctly the design and to submit competitive tenders for the works.
A Tender Drawing whether original or amended shall not be used as an installation Drawing except under the terms contained in the conditions of Tender.

Warning
Do not scale this drawing. Verify all dimensions and structural details on site. If in doubt, ask before acting.

Related documents
This drawing to be read in conjunction with the appropriate Specification(s).

Checking
This drawing has been generated using a Computer Aided Draughting system. As the system generates a new drawing at each revision, only the latest revision will have been initialised as checked.
