Dear Jonathan,

### RE: 2016/4803 Part discharge condition 3(f) of application 2013/6674

Thank-you for your time on the phone earlier and explaining how we can formally discharge the brick under condition 3(f).

After meeting conservation officer Charles Rose on site (26.10.2016) we selected the **Crest Sapphire Red Handmade**. After our discussion today, we have agreed to re-open application 2016/4802 and submit this brick under that application. Attached is the information card for the Crest Sapphire Red Handmade along with a sample photograph as requested.

As I mentioned on the phone, this brick is in very limited supply, thankfully we have reserved the require amount but we can only secure the order once the brick has been discharged so we need to have this signed off as soon as possible.

Kind regards,

Sam Ashdown
