Re: Ornan Court, 2 Ornan Road, London, NW3 4PT

Dear Ms Nora-Andreea Constintinescu,

Further to the objections regarding to the CMP, as per our details we wish to address the additional comments to objections.

1. Parking bay suspension would only be outside Ornan Court & not outside Rosslyn Court and would be reduced after the first 32 weeks.
2. Parking & loading arrangements. All contractors would be encouraged to use public transport as mentioned in the CMP.
3. Vehicle movement has been described in the CMP, in order to keep disruption to a minimum.

Should you require any other clarification, please do not hesitate to contact us.

Yours faithfully
MP Brothers Ltd

Suresh Rabadiya.
