

Rev B: 12.05.17
 Revised as numbered below:
 1. Configuration of stair to remain as existing. Entrance door to Flat 04 and Flat 05 revised to suit.

Key:

| | | | |
|--|--|--|---|
| | Existing structure / earth | | Existing structure / fittings to be removed |
| | New structure | | Hatch denotes area of excavation |
| | Line denotes removal of existing structure | | Existing floor finish + substructure to be removed (hatched area) |
| | Line denotes removal of existing fittings | | |

General Notes:

- Refer to the Door and Window Schedules for a detailed summary of the proposal for each door and window.
- All existing floor finishes are to be removed.
- Existing floorboards are to be carefully removed and set aside. New floorings are to be installed on top of the existing joists in order to level, and then the existing floorboards are to be reinstated.
- Existing original skirtings are to remain in situ.

Legend:

| | | | |
|--|--|--|----------------------------------|
| | Proposed straight-plank hardwood floor finish on specified floor build-up. | | Proposed external timber decking |
| | Proposed stone floor finish on specified floor build-up. | | Proposed external paving |
| | Proposed carpet matting. | | |

Demolition Notes:

- Existing external wall to be demolished
- Existing window to be demolished
- Staircase to be demolished
- Existing railings to be demolished
- Level of vaults to be lowered
- Existing external door to be demolished
- Existing AC conditioner to be demolished
- Service floor to be removed
- Existing roof to be demolished
- Existing lath and plaster ceiling on ground and first floors to be carefully removed and replaced with new using traditional methods
- Existing internal partitions to be removed
- Existing internal doors to be removed
- 50% of Wine vault shelving to be removed
- Denoted part of the existing slab to be removed to allow new service runs
- Existing wall to be demolished to allow insertion of a new door
- Existing staircase to be carefully removed, retained and reinstated in mirrored arrangement. Refer to Section 5 of Design and Access Statement.

Proposed Notes:

- 01 Closet wing to be rebuilt to be approx. 1 m lower with render finish
- 02 New extension at ground floor level over existing courtyard structure
- 03 New entrance door from front lightwell to replace window at lower ground floor level
- 04 New window to front lightwell to replace existing entrance door at lower ground floor level
- 05 New obscured glazing to be fitted in existing sash window frame
