2016/6891/P	mo lane - Ms	Flat 73 Lock House 35 Oval road nw17bf	02/06/2017 13:29:54	COMMNT	I would like to know why no meeting for discussion, questions and answers has been arranged for the residents in Oval Road and Lock House. We need to know how much this will disrupt our lives, noise levels, windows having to be kept closed, dirt, mess and traffic and what compensation we will get. It is not affecting so many people that personal contact isn't possible, nothing about this project is good. As a pensioner I am looking forward to the rest of my life in horror thanks to never ending property development, most of it sitting empty in Camden please note.
