2017/3133/P	MR ROBERT COULTER	12 MAITHEN CRESCENT Shrewsbury SY5 8QE	01/06/2017 14:12:11	COMMNT	<p>My concern is the architecture and quality of the design.</p> <p>The design will not lead to a finished building that is of a high architectural quality to give delight for many decades to come. This is closely linked to the public realm which should be open for all to enjoy, include extensive green spaces/winter garden, maybe a forest and include a play area for ALL ages. Further the design does not speak to the heritage of the former use of the site, and its importance.</p> <p>I feel that the client, leading in many innovations could do so much better with a more innovative design.</p>
