Profile

BSc (Hons) Civil Engineering – Owens University of Manchester (1986)

Member of the Institution of Structural Engineers
Chartered Engineer (1993) (Membership Number 020266312)

2001	Engineers Haskins Robinson Waters - Director
1992 - 2001	JSA Consulting Engineers - Associate Director
1988 - 1992	Alan Baxter and Associates - Project Engineer
1986 - 1988	Kirk McClure and Morton - Graduate Engineer

Simon Robinson graduated from the University of Manchester in 1986. He worked with Kirk McClure and Morton in Belfast before moving to London to work, first with Alan Baxter and Associates and then joining JSA Consulting Engineers becoming an Associate there in 1998. Simon is a founding director of EngineersHRW.

Within EngineersHRW Simon has headed a group engineering difficult inner city sites requiring full plan area basements, retained façades and complex phased construction for phased occupation. This has included work in all sectors of building construction; primary and secondary schools, higher education, commercial, mixed use and large residential projects.
