8 June 2017

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted Subject to a Section 106 Legal Agreement

Address:
61 Camden Mews
London
NW1 9BY

Proposal:
Demolition of existing premises (including garages (B2) and a flat above (C3) and construction of 2 x2 bed 2 storey mews houses (C3).
Drawing Nos: 881-02; 03; 04; 05; 06D; 07D; 08D

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans: 881-02; 03; 04; 05; 06D; 07D; 08D

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Samples of all facing materials to include brickwork, mortar and tiles together with manufacturer's specifications.

b) Details including typical sections at 1:10 of all windows (including jambs, head, cill and reveal), external doors and gates;

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 4 The proposed new units, as indicated on plan number/s hereby approved shall be designed and constructed in accordance with Building Regulations Part M4 (2), evidence demonstrating compliance should be submitted to and approved by the Local Planning Authority prior to occupation.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 5 The development hereby approved shall achieve a maximum internal water use of 105litres/person/day, allowing 5 litres/person/day for external water use (110l,p,d). Prior to occupation, evidence demonstrating that this has been achieved shall be submitted to and approved by the Local Planning Authority.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CS13 (Tackling climate change through promoting higher environmental standards), DP22 (Promoting sustainable design and construction) and DP23 (Water)

- 6 Notwithstanding the details shown on the drawings, a 1.8 metre high screen, details of which shall have been submitted to and approved in writing by the local planning authority, shall be erected on the rear of the first floor rear balcony/terrace prior to commencement of use of the roof terrace and shall be permanently

retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

7 Prior to construction of the development hereby approved:

a) A sustainability statement demonstrating how sustainable design principles and climate change adaptation measures (including full manufacturer's specifications and detailed plans, sections and elevations of measures such as photovoltaic panels and green/biodiverse roof) have been incorporated into the design and construction of the development shall be submitted and approved by the Local Planning Authority.

b) Prior to occupation, evidence demonstrating that the approved measures have been implemented shall be submitted to and approved in writing by the Local Planning Authority and shall be retained and maintained thereafter.

Reason: To ensure the development contributes to minimising the effects of, and can adapt to a changing climate in accordance with policies CS13 (Tackling climate change through promoting higher environmental standards) and DP22 (Promoting sustainable design and construction).

8 Notwithstanding the details approved, the proposed windows on the ground floor rear, facing 212 Camden Road and 59 Camden Mews shall be obscure glazed below a point 1.7m high above finished floor level and inward opening by a maximum of 100mm, prior to first occupation of the house; they shall be permanently retained and maintained as such thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

9 Notwithstanding the provisions of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) or any Order revoking and re-enacting that Order, no development within Part 1 (Classes A-H) [and Part 2 (Classes A-C)] of Schedule 2 of that Order shall be carried out without the grant of planning permission having first been obtained from the local planning authority.

Reason: To safeguard the visual amenities of the area and to prevent over development of the site by controlling proposed extensions and alterations in order to ensure compliance with the requirements of policies CS14 and CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 4 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's

Environment Services (Waste) on 020 7974 6914/5 or see the website
<http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.

- 5 The correct street number or number and name must be displayed permanently on the premises in accordance with regulations made under Section 12 of the London Building (Amendments) Act 1939.
- 6 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ.
- 7 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:

<http://www.planningportal.gov.uk/planning/appeals/guidance/guidancecontent>

Yours faithfully

David Joyce
Director of Regeneration and Planning
