Hi

I submitted the message below on your online comments system last week, but as yet have had no response. Please could you confirm: (a) that formal comments on the planning application can still be accepted; and (b) by when you will need to receive them?

Thanks
Steven Fisher

<i>Your comments on the planning application</i>	<p>I have been on vacation overseas since end-April, and have only just become aware of this proposal today. My initial reaction is to object, but I need more time to carefully review the supporting documentation, and to prepare a more considered response.</p> <p>I note that the deadline for comments has passed, but given that I have only just become aware of the application, please may I request additional time to prepare a response?</p> <p>I am still outside the UK, so please confirm by email that this will be ok.</p> <p>As the above discloses information about my whereabouts, for reasons of privacy and security I request that you do not publish this message on the planning website. You may of course publish my full response, which will follow in due course.</p>
