2017/2740/P	M Mayet	Flat B 108 Argyle Street London WC1H 8EB	13/06/2017 12:57:11	OBJ	As owners of the flat below (B) we totally object to this application which is not suited for this small residential dwelling. The owners of Flat C are currently renting the property on short lets through Air b/b and various other holiday web portals. In addition to the unacceptable noise and structure of the building we will end up with a glorified hotel. It is not suited for both tenants and leaseholders especially when the owners of Flat C, Mr & Mrs Hughes t/a (Tristia Properties Ltd) do not even reside here. If this application is approved we will be vigorously contest the decision.
