2017/2743/P	Rachel Wrangham	20 Rochester Square NW1 9SA	13/06/2017 09:00:51	OBJ	<p>I object to this proposal because:</p> <ul style="list-style-type: none"><li>a) it will reduce the charm and attractiveness of these lovely houses to have more cars permanently, and inappropriately, stored in their front gardens</li><li>b) the access is too close to a speed hump</li><li>c) driving across pavements should as a general rule be minimised</li><li>d) although there is a great deal of excess parking in the general area (Camden Square has a huge excess), there is great demand for spaces on Murray Street itself, where this house is actually located. A dropped kerb privatises public space i.n an unfair way.</li></ul> <p>I urge the rejection of this application</p>
