2017/2891/P	Luisa Auletta	33 Arlington Road London	10/06/2017 22:57:33	SUPPRT	I support the application to vary the legal agreement. Servicing from Underhill Passage is not acceptable as it disturbs too many residents in the passage, above the new shops and on Arlington Road which is a residential road that already suffers from too many deliveries to supermarkets on the High Street. Having deliveries via Arlington Road spreads pollution and congestion into the residential area and will exacerbate what is already an unsafe junction with Arlington Road (M&S Lorries are always getting stuck here and many elderly people and children use Unedrhill Passage). NB The High Street absolutely does NOT need another small supermarket - there are so many already on this stretch of the road, both larger stores and convenience stores.
