2017/2395/P	Jane and Margaret Clinton	56 Woodsome Road London NW51RZ	14/06/2017 14:33:46	OBJ	<p>We object to this shed in the strongest terms as it has been used regularly as another room with people often sleeping in it overnight as well as, sitting in it watching television. It has been used as a living room/bedroom. This greatly impedes our privacy and peace and is also quite distressing when on occasion someone has come out in the middle of the night in their boxer shorts presumably to use the lavatory. I happened to be making a cup of tea in the kitchen and was fearful that there was an intruder at large. Unfortunately, given the attitude of the neighbours who are now bullying and seek to intimidate us I do not expect them to abide by the terms of the planning and see them once again using this as another room.</p> <p>Given their wish to no longer have a civil conversation about the shed we feel that blocking the planning is the only way to safeguard against this being used as another bedroom/living room which has greatly impinged on our privacy and well-being.</p>
2017/2395/P	Mrs Andrea Owen	8 Saddlers Close Arkley Barnet Herts EN5 3LU	14/06/2017 21:40:32	OBJ	<p>I object strongly to the already insitu large shed which has been erected in the garden of 54a Woodsome Road. It is clearly used for residential use and is a huge infringement of privacy to the surrounding gardens. It is used to sleep in and to view TV outside. There are electrical cables in view that feeds electricity to the shed. An adult male walks around in his underpants at all hours clearly to use the extra necessary amenities of the ground floor flat. If we all did this what kind of residential area would this street become!</p>
