Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Request for Observations to Adjoining Borough - No objection**

Address:  
**Pavement Outside of 326 - 328 High Holborn**  
**London**  
**WC1V 7PE**

Proposal:  
Request for observations from the adjoining borough of the City of London for an application for determination under part 16 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) whether prior approval is required for the installation of a telephone kiosk.  
Drawing Nos: Letter from City of London dated 22/5/17

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

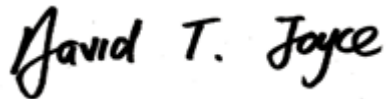

- 1 Reason for no objection.

The Council has considered your request for observations on the application referred to above and hereby raises no objection. It is noted that the correct legislation to assess the proposal is The Town and Country Planning (General Permitted Development) (England) (Amendment) (No. 2) Order 2016. Camden has

not assessed the proposal against this legislation as it is up to you as the Local Planning Authority to determine. If prior approval is required for the siting and appearance of the telephone kiosk, we recommend you discuss this with your internal highways and conservation (if relevant) officers. The kiosk would be located on the opposite side of a dual carriageway to the LB of Camden. Officers do not consider that such a proposal would materially harm its borough.

Yours faithfully
