Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: W1/16/01; W1/16/02; W1/16/03; W1/16/04; W1/16/04 (Proposed First Floor Plan); W1/16/06; W1/16/07; W1/17/08; Design and Access Statement; Additional Statement

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 The development hereby approved shall achieve a maximum internal water use of 110litres/person/day. The dwelling/s shall not be occupied until the Building Regulation optional requirement has been complied with.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CS13 (Tackling climate change through promoting higher environmental standards), DP22 (Promoting sustainable design and construction) and DP23 (Water)

- 4 Before the development commences, details of secure and covered cycle storage area for at least 6x cycles shall be submitted to and approved by the local planning authority. - 5 A 1.8 metre high screen, details of which shall have been submitted to and approved in writing by the local planning authority, shall be erected on the rear first floor terrace prior to commencement of use of the terrace and shall be permanently retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL as the additional floorspace exceeds 100sqm GIA of residential accommodation. Based on the information given on the plans, the Mayor's CIL Charging Schedule and the Camden Charging Schedule, the charge is likely to be £44,700 (894sqm x £50) for the Mayoral CIL and £447,000 (894sqm x £500) for the Camden CIL.

This amount is an estimate based on the information submitted in your planning application. The liable amount may be revised on the receipt of the CIL Additional Information Requirement Form or other changes in circumstance. Both CIL's will be collected by Camden after the scheme has started and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement and/or for late payment. We will issue a formal liability notice once the liable party has been established. CIL payments will also be subject to indexation in line with construction costs index.

- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 5 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.
- 6 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

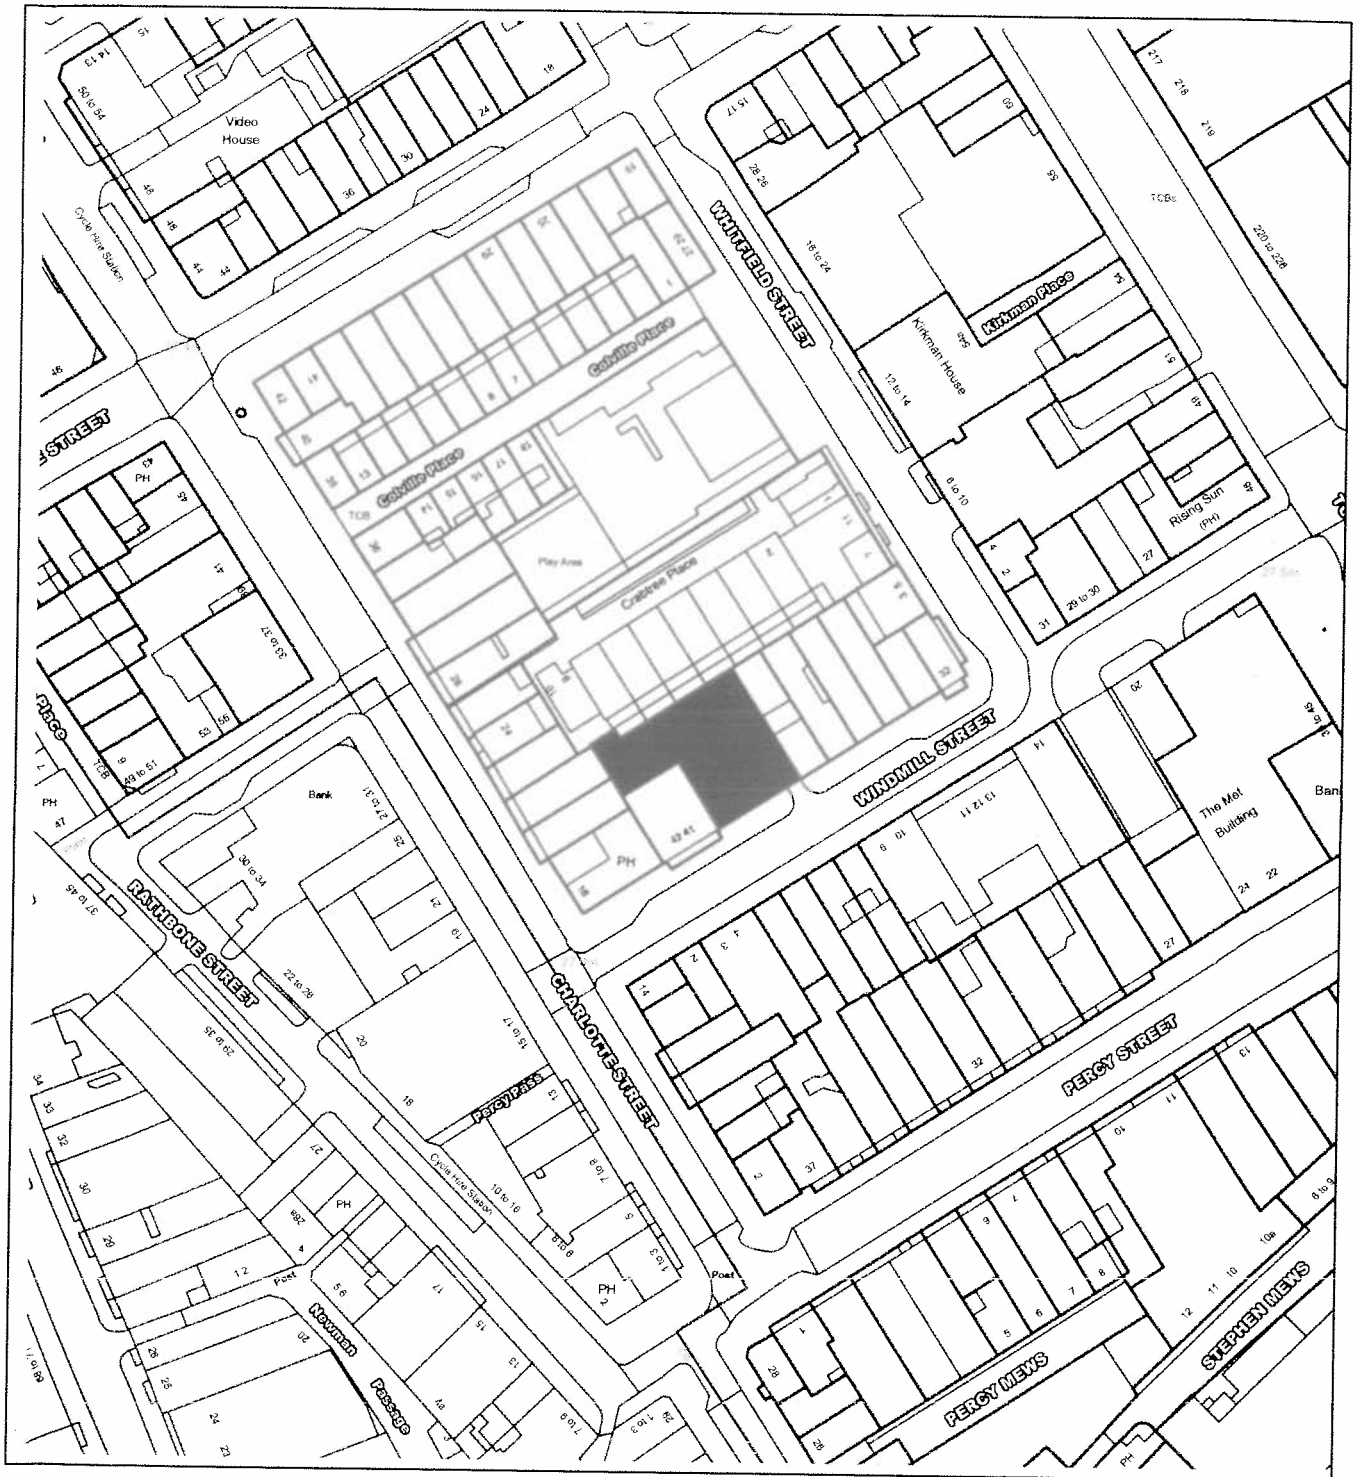

Yours faithfully

Supporting Communities Directorate
