Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
**33 Holborn
London
EC1N 2HT**

Proposal:

Application for determination under part 16 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) whether prior approval is required for the installation of a telephone kiosk.

Drawing Nos: letter dated 15.5.17 from City of London ref 17/00383/DPAR

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

- 1 No objection is raised to the proposed siting and appearance of the phone kiosk. It would be located on the opposite side of a dual carriageway and at some distance from the borough of Camden. As a result of the small scale nature of the proposal and distance involved, it is considered that the phone kiosk would have no impact on the conservation area character, pedestrian flows or amenities of the borough.

Yours faithfully

David T. Joyce
