2017/1388/P	Rochester Conservation Area	Rochester conservation area	20/06/2017 19:34:00	OBJ	Replacing Critall windows with aluminium can be a mistake. Please can the applicant look at the good work by Islington in its estate on Brecknock Road - good double glazing with a thin 'Critall' feel, powder painted, not the thick aluminium proposed, and keeping the original shape of the panes to match the whole building.
