2017/3399/T	Mr Alexander Corman	14b Elsworthy Terrace Primrose Hill NW3 3DR NW3 3DR	17/06/2017 08:23:05	COMM	I am not fussed about the Cedar tree - it is far too big for the front garden anyway. However, I do not agree to have the Olive tree taken down. I want more of the ivy that is growing far too much over my side of the wall into my garden. I am having to cut it down every month!
