Dear Laura

Please note that I have received a number of emails about the above mentioned planning application. Residents are extremely concerned by the application and how the matter may progress without proper scrutiny in the circumstances.

As ward councillor and having considered the matter, I strongly believe this application should progress to planning committee. My ward colleague, Cllr Spinella is also supportive of the same course of action.

With the above in mind, I would be grateful to receive an update by return in relation to what stage the application has reached and what the next steps are, with an outline of a timeline. I realise the timeline may move but that will at least give me an opportunity to take advice.

Please also let me know what you need from myself and Councillor Spinella. I am content to send you a formal detailed objection but in the meantime, please log this email as notice of our stance.

I look forward to hearing from you.

Kind regards

Siobhan
