
Conservation Area Advisory Committee

Advisory Committee	Camden Broadway
Application ref	2017/2704/P
Address	o/s 57 Camden Road London NW1 9EU
Planning Officer	Kristina Smith
Comments by	07 Jul 2017
Proposal	Erection of freestanding BT panel providing phone and Wi-Fi facilities with 2 x internally illuminated digital advertisements.
Objection	Yes
Observations	<p>The application does not state the reason for moving the location of the kiosk from the location of the kiosk to be removed (outside nr 75a) to the proposed location for the new kiosk.</p> <p>The new kiosk is located in a very busy spot, and it is not obvious from the application why it's proposed location isn't aligned with the building line (or the existing tree) but moved further south.</p> <p>The CAAC would further like to request more information on how it has been determined that the kiosk preserves the character of the conservation area, i.e. what kind of design elements/ materials of existing features it picks up on. This is not obvious from the application documents, which look mainly like standard off-the-shelf information that has been adapted minimally to reflect the Camden Road site in location, but not in character.</p>
