**Recommend Archaeology Condition to be Satisfied**

Thank you for passing on the updated evaluation report.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the submitted document I recommend its approval. No further archaeological work is necessary and the archaeological condition under this application has been satisfied.

The results of the archaeological investigation will be published in summary form in the London Archaeologist and made available through the Greater London Historic Environment Record. The site archive will be deposited with the London Archaeological Archive and Research Centre.

Please do not hesitate to contact me should you require further information or assistance.

Please note that this response relates solely to archaeological considerations. If necessary my Inspector of Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters or Borough Conservation Officer as appropriate.

Yours sincerely
