Advice from Eton Conservation Area Advisory Committee: 14.06.2017

Re 23 Steele's Road: 2017/2221/P

We have no comments other than that this appears a rather convoluted application for a single storey extension. Published guidance is quite clear that within conservation areas permitted development is restricted in order to safeguard the special character of the area.

The application does not raise any particular issues. The balcony already exists and is well below the height of the existing side wall.

Yours sincerely,

Eton CAAC
