Dear Sir/Madam

### DECISION

Town and Country Planning Act 1990 (as amended)

#### Full Planning Permission Granted Subject to a Section 106 Legal Agreement

Address:  
**University College School**  
**Frognaal**  
**London**  
**NW3 6XH**

Proposal:

Widening of main entrance gates, including widening of the bell-mouth. Removal of all existing street furniture (bollards and barriers) to enable the erection of a sliding gate for vehicular access and a side gate for pedestrian control.

Drawing Nos: L05; L06; L01A; L02; L03; L04A.

Reports: Design & Access Statement with Heritage Statement prepared by Katy Staton dated February 2017; Arboricultural Survey (BS5837:2012) & Impact Assessment Report dated 10 June 2016.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies, and policies D1 and D2 of the emerging London Borough of Camden Local Plan.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans L05; L06; L01A; L02; L03; L04A.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 4 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies, and policies D1 and D2 of the emerging London Borough of Camden Local Plan.

- 5 Before any works commence on site, details shall be submitted to and approved by the Council to demonstrate how all trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected during construction work. Such details shall follow guidelines and standards set out in BS5837:2012 and should include:

- a tree protection plan (TPP) showing the location and nature of tree protection measures
- appropriate working processes in the vicinity of trees
- details of an auditable system of site monitoring
- details of the design of building foundations
- details, including dimensions and levels, of service trenches and other excavations on site in so far as these items may affect trees on or adjoining the site.

The development thereafter shall be implemented in strict accordance with the approved details.

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy, and policy A1 of the emerging London Borough of Camden Local Plan.

Informative(s):

1

Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

2

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
