I have examined the plans and visited the site. I wish to offer my support to the proposal, for the reasons outlined below.</p> <p>In my opinion the innovative style of the dwelling including the details of the design and materials proposed are of the highest quality and will enhance the neighbourhood and indeed add value to the neighbouring property.</p> <p>The shape of the building respects the height of neighbouring properties and will add great interest to the street.</p> <p>There are many unique properties in the area and this property would be another to add to this collection.</p> <p>The style and design of the home would sit comfortably alongside older properties. The thoughtful design of the front garden would be a positive contribution to the street.</p> <p>I am a have a gallery in Hampstead where the focus is in design.</p> <p>Kindest regards</p> <p>Karen Whiteley</p>
