Subject: Town Hall Extension application ref 2016/4605/P

David

I object to this application. We all remember that when the project was getting the go-ahead we were told that the terrace would only be on the Euston Road frontage. We are not happy that now the terrace applied for extends around into the side frontages.

Behind and to the side of this building is a residential area. No residents anywhere should have to cope with the noise from hotel/event guests on a roof terrace: not at night, not in the evening, not in the daytime.

Please enforce a restriction of the terrace to the Euston Road frontage.

This is a personal objection and also I write on behalf of Friends of Argyle Square.

Thank you

Richenda Walford
