2017/3253/P	Bernard Khoo	3 Ardwick Road London NW2 2BX	04/07/2017 22:07:01	OBJ	<p>During the initial consultation we were reassured that the West Elevation would include one window only, situated in its current position.</p> <p>The proposal to build two additional dormer windows on the West Elevation is completely unacceptable to us as these windows directly look into our master bedroom, leading to a complete loss of privacy. These windows similarly overlook directly into my garden/patio and into other private spaces in neighbouring properties (5 and 7 Ardwick Road).</p> <p>Moreover, the application description is inaccurate in that it describes one additional dormer window when the plans show clear two additional dormer windows.</p> <p>We would like to lodge our complete objection to these proposed amendments.</p>
2017/3253/P	Mr Dani Saurympet	7 Ardwick Road NW2 2BX NW2 2BX	04/07/2017 21:46:55	OBJ	<p>I wish to object to allowing this scheme to add 2 dormer windows on the 2nd floor of the West elevation.</p> <p>The application description states only one but the drawings and application form clearly indicates two.</p> <p>These windows overlook directly into my garden/patio and all other homes/gardens/ private spaces along Ardwick Road and parts of Ranulf Road resulting in an unacceptable loss of privacy.</p>
