2017/3448/P	Richenda Walford	1 Crestfield Street WC1H 8AT WC1H 8AT	04/07/2017 16:41:52	OBJ	<p>In general: London does not need more telephone kiosks - practically everyone has their own phone. Modern kiosks just add ugly street clutter, which on busy, crowded pavements can be actively dangerous. They provide no useful service – just an opportunity for the owners to sell advertising space, and for unofficial advertising and graffiti. In many areas they are renowned for the sex trade advertising they enable and are thus actively harmful to those areas, creating a danger for children.</p> <p>The location applied for is extremely pedestrian-busy, close to a number of Grade 1 Listed buildings, in a Conservation Area and close to already existing telephone kiosks. Please refuse the application.</p> <p>I write on behalf of Friends of Argyle Square and Bloomsbury Conservation Advisory Committee.</p>
