3. Description of the Proposal

Please provide a description of the proposal, including details of the proposed demolition:

To assist with the construction works allowed under permission granted in May 2017 (ref. 2015/6751/P), the applicants wish to demolish the inset section of elevation over the arched entrance at the east end of the front facade along Clerkenwell Road immediately adjacent to the Grade II Listed 123 Clerkenwell Road property, prior to the main building works commencing for the apartment scheme (ref. 2015/6751/P) and reinstating the section of front facade on completion of the apartment scheme works.

The temporary removal of this section of the front facade and the existing entrance arch, which is currently too low, will allow for unrestricted access to the site for construction vehicles, removal and delivery of materials to and from site, providing an off road area load/unloading area and space for contractor welfare facilities. The property is located immediately adjacent to traffic lights at the junction with Rosebery Avenue on the busy Clerkenwell Road and unloading of materials etc. directly on the street would be very disruptive to traffic and pedestrian flow.

Once the works for the new apartments have been completed the inset section of facade will be reinstated using the existing retained brickwork, decorative features and window arches and cills in the style of the original : two options of the re-built section are proposed:

3. Description of the Proposal

Option 1: Facade reinstated to exactly match the existing original inset section (see proposed drawing 125CR/P/PD02: Proposed Clerkenwell Road Elevation Option1).

Option 2: Facade reinstated to match the existing original inset section, but while retaining the decorative features the fenestration of the inset facade would match that of the main building elevation with a double arched window at second floor level and a round arched window at first floor level. (see proposed drawing 125CR/P/PD02: Proposed Clerkenwell Road Elevation Option 2).

It is proposed that a preferred version of one of the two options will be agreed with the planning authority as part of the planning process.

Has the building, work or change of use already started? Yes No

4. Site Address Details

Full postal address of the site (including full postcode where available)

8. Authority Employee/Member

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

Yes No

9. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The proposed demolition and reinstatement of this later addition to the front facade will greatly assist with the efficient, safe and least disruptive building of the housing development permitted under the planning decision previously granted.

10. Materials

Please state what materials (including type, colour and name) are to be used externally (if applicable):

Walls - description:

Description of *existing* materials and finishes:

Yellow Brick wall with cornice with dentil motif, decorative stone frieze at first floor level.

Description of *proposed* materials and finishes:

New cornice with dentil frieze to match existing; existing yellow bricks re-used to re-build wall; decorative stone frieze re-used at first floor level.

Windows - description:

Description of *existing* materials and finishes:

Stone cills, timber windows & stone keystone features

Description of *proposed* materials and finishes:

Stone cills re-used; stone keystones re-used; new windows to be triple glazed timber sliding sash windows.

For Option 2, two additional stone string courses to be introduced to match adjacent string coursing to adjacent existing treatment to facade.

Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?

Yes No

If Yes, please state references for the plan(s)/drawing(s)/design and access statement:
