2017/3847/P	Mr Craig Duncan	74 Durdans House  Royal College Street  NW1 9RD	08/07/2017 13:46:53	OBJEMAIL	I am concerned with the suggestion of a six story building in the middle of Chalk Farm Road where the petrol filling station currently is. It would constitute an eyesore in an attractive area and as a local resident I seriously object to this!
2017/3847/P	Mr Alan Heard	UK Power Networks  2nd Floor Metropolitan House  Darkes Lane  Potters Bar  Hertfordshire  EN6 1AG	10/07/2017 08:47:29	INT	Please ensure that contact is made with UK Power Networks/an ICP in relation to relocating the existing substation, as required, along with ensuring the development is adequately supplied from an electricity distribution point of view.
