Hello,

I would describe the covering letter as a general description.

I would like my specifics recommendations addressed to cover the security concerns.

CCTV - To cover the ATM user and surrounding.

Lighting - To a uniform level to assist in gaining images of ATM users.

Mirrored Surface - To allow the Atm user to see behind them.

Anchor System - To secure the ATM to the ground.

Pin Shield - To hide the number from other observers.

regards Adam Lindsay

Hello,

The document where I would expect to read a statement regarding security, will not open on my computer due to its size.

Can you please cut and paste the relevant section to me ?

In general terms my security advice is below.

CCTV - To cover the ATM user and surrounding.

Lighting - To a uniform level to assist in gaining images of ATM users.

Mirrored Surface - To allow the Atm user to see behind them.

Anchor System - To secure the ATM to the ground.

Pin Shield - To hide the number from other observers.

Regards Adam Lindsay
