Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:
Eversholt Street
Phoenix Road
Brill Place and Midland Road
London
NW1

Proposal:

Temporary display of 3 x non-illuminated banners and 27 x non-illuminated back-to-back board sign for the Green Walking Route on existing lamp posts for a temporary period until 31/12/2017.

Drawing Nos: 2 x Photo; Location Location Map; Cover Letter; Individual Site Map.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
 - (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The advertisements hereby permitted are for a temporary period only and shall be removed in their entirety on or before 31st December 2017.

Reason: In view of its appearance and various locations, this form of advertisement is not considered appropriate other than for a temporary period. Its permanent display would be contrary to the requirements of policy D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting:

Camden Planning Guidance (CPG1) clearly states that banner advertisements in some commercial areas may be considered a suitable form of display. Within a conservation area and on or near listed buildings, proposals must safeguard the character and appearance of these areas and the setting of listed buildings.

There is only one banner located in a Conservation Area.

The banners and back-to-back board signs are appropriate for a short period of time in terms of size, design and location and would therefore conserve and enhance the character and appearance of the conservation area and the setting of the adjacent listed buildings.

The proposal will not impact on the neighbour amenity nor would it be harmful to either pedestrian or vehicular safety.

The site's planning history and relevant appeals have been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area and special regard has been attached to the desirability of preserving the listed building or its setting or any features of special architectural or historic interest which it possesses, under s.66 and s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies A1, D2 and D4 of the Camden Local Plan 2017. The proposed development also accords with policies of the London Plan 2016; and the National Planning Policy Framework.

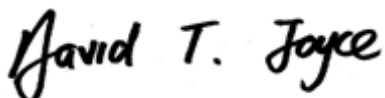

- 2 This application for an extension of time for the display the signage on lamp posts is only considered acceptable in agreement that it is for another 6 months only. Any further application for yet another extension of time for the display of the signage may not be granted advert consent. A full assessment would again be required. This is to protect the amenity of the streetscape by restricting this type of development to be temporary only, as in short term.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
