Comments by	27 Jul 2017
Proposal	Re-instating of capping stones to 8no existing piers lining entrance path to steps; replacement of 4no sets of metal railing to entrance stairs; construction of a bin store at upper level and reduction of existing garden store at lower level of left front garden with associated landscaping including side access stairs all in connection with residential flats (Class C3).
Objection	Yes
Observations	<p>OBJECT</p> <p>Improvements to the entrance to this house are welcome. However, the proposals are still piecemeal, with insufficient information on details for new railings, materials of bin store etc. The tapered columns are out of character with the area. Could their number be reduced?</p> <p>Eldred Evans Chair BCAAC</p>
