2017/3367/P	Richard Klein	9 Chesterford Gardens London NW3 7DD	14/07/2017 12:28:02	COMMNT	We are concerned by any new rear extension for use as a private terrace as our home is directly overlooked.
2017/3367/P	Jahanshahi	9 Redington rd Nw3 7qx	17/07/2017 10:35:57	INT	I strongly object to this refurbishment as the applicant is using misinformation. The existing and proposed. basement plan & extent not shown in application. The rear 3D view on dad is misleading not showing the basement . description on application not indicating full intentions!
