RSPB exclusive

Simple to install, inspect and clean, Schwegler nestboxes are famous for their durability. Schwegler have been making nest boxes for birds, bats and insects for over 50 years.

These nestboxes, in colours exclusive to the RSPB, will last at least 20-25 years and are readily adopted by garden birds.

They are made from a patented wood-concrete material consisting of 75% wood, which provides insulation and aids ventilation.

Comes with easy-hang hook, and a forestry approved aluminium nail is included. Backed by an incredible 25 year guarantee!

The Open front nest box may attract pied wagtails, robins and wrens.

- RSPB exclusive
- Easy-hang hook
- Durable
