Attachments: [Poster Cabinet - Full planning application form V2.pdf](#)

Hello John

Further to our phone call on Monday, regarding the proposal for the erection of a poster cabinet at The British Library, 96 Euston Road, I can confirm the following:

- The poster cabinet will not be used for the display of any digital or illuminated signs.
- As requested, I have completed the Full planning permission and Listed Building Consent form (attached).
- We are currently in the process of raising a cheque to cover the application fee of £195.

I have been informed by the Applicant that the poster cabinet, has now been erected on the external wall, in accordance with the submitted information. Given that the Council has taken approx. 5 weeks to address the application, the British Library have had to proceed with the works to meet their own work schedule. Whilst we are aware this is not the most suitable approach; given that the application is only for minor works, we trust that there should not be any major problems caused by this and that this planning application can run as a retrospective application proceeding the works. I have ensured that the application forms reflect that the works have been completed.

Please can you advise who the cheque should be addressed to and provide the new reference number, if the application is assigned one?

Please do not hesitate to contact me should you have any further queries.

Kind Regards
Ruby
